

FINAL NOTICE

PCIP COVERAGE ENDS DECEMBER 31

DON'T WAIT! SECURE NEW COVERAGE FOR 2014

Dear CT Pre-Existing Condition Plan Member,

Your CT Pre-Existing Condition Insurance Plan (PCIP) coverage ends on December 31, 2013. CT PCIP won't pay for any services you receive beginning January 1, 2014.

Take action today! Enroll in new health coverage for next year to avoid a gap in coverage. **If you choose to enroll through Access Health CT, you must do so by December 15 to have health on coverage on January 1. You have just a few weeks left.** December 15 is the last day you can enroll in coverage through Access Health CT if you want to have health coverage on January 1. Remember, all Access Health CT plans offer the same essential health benefits and cover treatment for pre-existing conditions. You may also be considered for Medicaid or the Children's Health Insurance Program.

Even if you choose to buy coverage outside of Access Health CT—directly from a licensed health insurance company or by enrolling in an employer-based plan, for example—you should act quickly to ensure that you have coverage on January 1.

This is your third and final notice that your PCIP coverage is ending. To review information in the previous notices, go to www.ctpreexistingconditionplan.com

Your PCIP coverage is ending

Open enrollment through Access Health CT is happening now. Visit www.accesshealthct.com to create an account, apply, and enroll in coverage. Or call the Access Health CT Call Center to get started at 1-855-805-4325 (1-855-805-HEALTH). TTY users should call 1-855-789-2428. There are people trained and certified to work with you to prepare an application and determine if you are eligible for financial help to lower your costs. Their services are free. Licensed agents and brokers can also provide similar help.

Visit www.accesshealthct.com to find different types of application assisters (such as Navigators, In-Person Assisters and Certified Application Counselors,) in your area. You can search by city, town zip code and organization name or last name of an individual assister to see a list of local organizations and individuals with contact information, office hours, and types of services offered, such as non-English language support, and help applying for or enrolling in Medicaid or the Children's Health Insurance Program (CHIP).

Take action today. You will be disenrolled from CT PCIP on December 31, 2013. CT PCIP will not pay for any services you receive beginning January 1, 2014, so don't wait! Make sure you're covered in January.
